19,000+
participants and growing

Connect 24/7

For the input you need to drive your business forward.

A complimentary benefit for Vistage members, Networks provide a powerful platform to interact with peers who share your industry, affiliation, interest or geography.

This helps you:

1. Get timely advice on your most pressing business challenges.
2. Discover innovation and solutions around shared and aligned business topics.
3. Build trusted relationships across the broader Vistage community.
4. Access curated content to optimize business practices.
5. Connect with peers within a certain geographic region.

Vistage Members on average join 4-6 Networks.

Resolve business issues quickly with valuable perspectives from fellow Vistage members worldwide.

As part of a Network, you have access to:

- **A trusted virtual community.** Post critical questions to your Network discussion board to get the insight you need; from peers you can trust — right now.
- **Webinars.** Interact with online presentations – tailored to your specific Network — from experts and thought leaders offering valuable takeaways.
- **Meet-ups.** Attend hosted gatherings with your fellow Network members at industry trade shows, festivals, regional conferences and more.
- **Events.** Leverage roundtable discussions, boot camps, and more opportunities to meet in person — in settings chosen specifically for relevance and benefit to your Network.
- **Curated content.** Explore insights and perspectives from subject-matter experts, to enhance your leadership skills and provide tools to optimize your decision-making.

Choose from a variety of vertical markets

Industry Networks

No one understands your industry better than an industry peer. Leverage valuable perspectives to make industry contacts, get your questions answered and make better, informed decisions for your business.

Choose from a variety of common ties

Affiliation Networks

Get on-point insight from a global community of colleagues across industries, united by a shared purpose.

-  **Artificial Intelligence:** *Meet members active in AI policy, technology, and standards, and who know how to implement AI in business.*
-  **Deal:** *Explore best practices in preparation for business growth or sale.*
-  **Entrepreneurs and Small Business:** *Transform great ideas into successful businesses.*
-  **Talent Strategies:** *Explore strategies around hiring, retaining, engaging, and managing people and cultures.*
-  **Family Business:** *Empower growth within your family-owned business*
-  **Women in Leadership:** *Cultivate and benefit from a community of female business leaders.*

Choose from a variety of interests

Special Interest Networks

Gather around shared interests and get great ideas while cultivating friendships with other like-minded business leaders. After all, some of the best insights are sparked in unexpected places.

Golf

Sports, Leisure, and Wellness

Interact with CEOs worldwide

Exclusive Chief Executive Network

Exclusively for Vistage CE and SB group members. Tap into the collective wisdom of CEO peers beyond your group and around the world.

CEO Network

Get closer to the leaders closest to you

Geographic Networks

If location is important to the responses you wish to receive, then a post in regional Networks would be appropriate.

-  Northeast
-  Mid-Atlantic
-  Rocky Mountain
-  Midwest
-  South
-  West
-  Latin America (LATAM)
-  Asia Pacific (APAC)
-  Europe, Middle East, Africa (EMEA)

Location challenges or solutions could be:

- Vendor and service provider recommendations in your area
- Local laws and guidance
- Regional issues impacting your business (i.e., weather, economics, trends)
- Advice for a market/region you're not familiar with

Tap into a powerful aspect of your Vistage membership.

Use the power of shared expertise to accelerate results, save time and maximize resources.

"I was able to get an SBA loan we needed because of a member in the Network. THANK YOU THANK YOU THANK YOU for all the help and referrals. **This saved my business and over 40 jobs.**"

Matt Doll, CEO, American Fireglass

"**I was pleasantly surprised by the rapid and candid replies and advice.** We had been leaning a particular direction, and the response helped us solidify what we were already thinking, but with greater confidence now."

Hazel Wiggington, Managing Partner, H2 Performance Consulting

"Getting input from 14 CEOs in my group is an awesome thing, but to also **get perspectives from thousands of others around the world** within hours is invaluable."

David Fitch, President, Fitch Lumber

What are Networks members talking about right now?

- Hiring and retaining talent
- Understanding the effects of A.I.
- Improving ROI
- Selecting technology platforms
- Choosing the right vendors
- Staying current on policies and regulations
- Building a better workplace culture
- And much more

Don't miss out on this powerful Vistage Member benefit.

Get connected now: vistage.com/networks.

Members who post a business challenge to their Network promptly receive an average of 8-10 responses.

Vistage Networks

Last year: More than 5,000 questions were asked. More than 46,000 answers were given.
